AMAKA YA BWINGI

Building on Four Pillars:

- 1. Promotion**
- 2. Education.**
- 3. Linking.**
- 4. Innovation.**

Our objectives:

- 1. To promote businesses**
- 2. To capacity build entrepreneurs at any stage of their growth**
- 3. To help link and encourage bilateral engagement between businesses and organisations and help in the formation of new ideas, and new businesses**
- 4. To link businesses to financiers or equity partners.**

The Services (How we attain our objectives)

Conferences and workshops which take place every month in different locations and one annual conference in the United Kingdom called, 'Celebrating Business Connectivity & Success'.

Workshops which are delivered in smaller clusters and these are normally by invitation to those who have claimed their appropriate user membership

We offer introduction services to multi nationals and all forms of small scale size businesses, targeting those businesses wishing to enter new markets in Zambia, and some other parts of Africa.

The AYB250 Consortium for Construction and Projects provides financing and development through links to investors and equity funders and lenders for macro projects.
